

— RULES —

NOTICE TO ALL EXHIBITORS

All exhibitor index, premium reports, judges sheets and checks will be computerized. Entry blanks must be filled out completely with name, address, social security number and premium number.

1. No drinking allowed on fairgrounds.
2. Gambling and gambling devices are absolutely prohibited on fairgrounds.
3. The Effingham County Fair Association will not be responsible for the loss or injury of any personal property or for any personal injuries.
4. The Directors of the Effingham County Fair Association expressly reserve the right to cancel the Fair and to withdraw premiums.
5. The Effingham County Fair Association reserves the final and absolute right to interpret these rules and regulations and to arbitrarily settle and determine all matters, questions, protests and differences in regard hereto and to add to or amend these rules as they may deem advisable.
6. Gates open for admission at 8:00 a.m. each day from Saturday, August 6, through Saturday, August 13, 2005. The Fairgrounds will be closed at midnight each night of the fair.
 - A. SEE EACH CATEGORY FOR ENTRY INFORMATION. (Exhibit Hall Entries ONLY)
 - LIVESTOCK: SEE UNDER YOUR CORRECT SECTION
7. Persons and/or vehicles entering the Fairground premises do so only with the permission of the Effingham County Fair Association and said Association expressly reserves the right to revoke the license of any person and/or vehicle from entrance and/or access to the Fairgrounds at any time.
8. Rules for entries in all classes:
 - A. All entries will be computerized. Social Security Number must accompany entries.
 - B. Registration papers will be randomly checked on first place animals.
 - C. Send fees and entries to Effingham County Fair Entries, P.O. Box 212, Altamont, Illinois 62411. Exhibitors' cards may be picked up at the fair office. **They will not be sent out.**
 - D. Beef cattle must be in place by 9:00 p.m. Friday, August 5. Entries close Saturday, August 6, 9:00 a.m. **NO** late entries will be accepted.
 - E. Sheep must be in place by Noon Saturday, August 6.
 - F. **Fitting Rule:** Cattle are to be shown in their natural conformation. The use of false tail heads is prohibited. The addition of hair, hemp or any similar substance to any part of an animal is prohibited. This rule applies to both breeding stock and steers.
 - G. Dairy animals must be in place by Midnight, Wednesday, August 10; however, dairy cattle cannot be put in place before Noon Wednesday, August 10.
 - H. Sheep will officially be released after the show.
 - I. Dairy animals will be officially released after the show.
 - J. Goats will be in place by 9:00 p.m., Wednesday, August 10. Goats will be released after checks are disbursed Friday, August 12.
 - K. **ABSOLUTELY NO ANIMALS WILL BE RELEASED UNTIL THE GIVEN TIME. THOSE VIOLATING THE RELEASE TIME WILL SUFFER 25% REDUCTION OF THEIR PREMIUMS WON. VIOLATORS NAMES WILL BE SUBMITTED TO THE ILLINOIS DEPARTMENT OF AGRICULTURE BUREAU OF COUNTY FAIRS FOR FURTHER ACTION.**
 - L. All entries must be made in the name of the owners.
 - M. One item can be entered in only two (2) categories.
 - N. No exhibitor will be paid more than two (2) premiums in any one class.
 - O. All protests must be in writing, accompanied by an affidavit setting the grounds for protesting. Protests against exhibition of either animal or article must be filed with the Secretary on day of contest. In every case of protest, the parties protesting must deposit, with the Secretary, a sum of money equal to the amount of the purse. If the protest is sustained, the deposit of money shall be returned to the complainant, but if the protest is not allowed, the said deposit of money shall be forfeited to the Board and the purse shall be paid to the winner.
 - P. Refer to rules, by Department, for other entries.
 - Q. All livestock exhibitors must purchase exhibitor's ticket.
9. If any of these rules are prohibited by the laws of this state or in the United States, such rule or rules shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remaining provisions hereof; it being the intention of the parties that these rules shall comply with the law of the State of Illinois.

ILLINOIS DEPARTMENT OF AGRICULTURE BUREAU OF ANIMAL HEALTH

State Fairgrounds, P.O. Box 19281, Springfield, Illinois 62794-9281
2005 EXHIBITION-LIVESTOCK HEALTH REQUIREMENTS - COUNTY FAIRS

Phone (217) 782-4944

GENERAL REQUIREMENTS

1. Exhibitors are required to familiarize themselves with all rules applicable to their exhibits.
2. All out-of-state animals shall require an entry permit. Permits are available 24 hours a day, seven days a week by calling (217) 782-4944.
3. All animals, except as noted, shall be accompanied by a Certificate of Veterinary Inspection (CVI) which shows that the animal meets all health requirements for the State of Illinois. CVI's shall be made available to Bureau of Animal Health Personnel on request.
(CVI means a legible record made on an official form from the state of origin which has been issued, signed and dated by an accredited veterinarian and which shows the name and address of the animal's owner or exhibitor and the results of all required tests or vaccinations. A CVI shall list only one animal identification per line; shall be presented on the form on which it was initially issued; and shall not be corrected, changed or altered in any manner.)
4. All animals shall be officially identified. The animal(s) official identification shall be recorded on the CVI.
5. If animals are from tuberculosis accredited, brucellosis certified, pseudorabies qualified, or brucellosis validated herds, the identifying herd number(s) along with the date of the last herd test(s) shall appear on the CVI.
6. CVI for out-of-state livestock shall be void thirty (30) days after issuance.
7. CVI for Illinois-origin livestock shall be void ninety (90) days after issuance.
8. All livestock shall be subject to examination upon entry to any Illinois fair or exhibition. Any animal showing evidence of infectious, contagious or communicable diseases shall be immediately withdrawn and held in quarantine at the owner's risk and expense until properly treated and recovered, or until the animal is released to return to the owner's premise.
Any livestock infected with scabies, mange, active lesions of ringworm, sore mouth, or multiple warts which are easily visible without close examination shall not be permitted to exhibit and are subject to quarantine or removal from the fairgrounds.
Sheep and goats with caseous lymphadenitis as evidenced by draining abscesses shall not be exhibited and are subject to immediate quarantine or removal from the fairgrounds.
9. Illinois Department of Agriculture personnel or designee may collect blood, tissue, milk or urine samples from any animal being exhibited and/or raced at any Illinois fair to test for the presence of illegal drugs or banned substances. New examination techniques, such as ultrasound, may also be used at anytime while the animals are on the grounds of any Illinois fair or exhibit.
The Illinois Department of Agriculture or designee may collect urine, blood, tissue or other test samples from exhibition animals at the time of slaughter.
10. All exhibitors of animals at any Illinois fair or exhibition shall comply with the provisions of the Illinois Humane Care for Animals Act. If violations are observed, the animal(s) will be excused from exhibition and ordered removed from the grounds with all awards being forfeited.
Any practice or deviation from normal, accepted care, including physical, medical or mechanical application, shall constitute a violation of show rules and may result in the animal(s) disqualification and removal from the fairgrounds.
11. Any Illinois cattle, bison, cervidae or goats being exhibited in non-accredited free states must be isolated from the remainder of the herd/flock upon return to Illinois and retested for tuberculosis 60-120 days post-entry.

CATTLE

Identification: Individual identification of each animal shall be either a fully healed and legible tattoo, official metal ear tag, registration number (can only be used if the tattoo is recorded on the registration certificate or for breeds where pictures are acceptable), or individual brands, if brand is recorded on the registration certificate.

Illinois Cattle

Brucellosis: Illinois is a Bovine Brucellosis Class-Free State. Brucellosis testing is not required for Illinois cattle.

Tuberculosis: Illinois is an Accredited Tuberculosis-Free State. Tuberculin testing is not required for Illinois cattle.

Please note: Illinois steers and calves under 6 months of age and Illinois steers are not required to have a Certificate of Veterinary Inspection.

Out-Of-State-Cattle

Permit

1. All out-of-state cattle are to be accompanied by an entry permit.
2. Permits are available 24 hours a day, seven days a week by calling (217) 782-4944.

Brucellosis:

1. Female cattle six (6) months of age and older and bulls eighteen (18) months of age and older shall be negative to an official test for brucellosis within thirty (30) days prior to entry, unless exempt by one (1) of the following:
 - A. Originate directly from a certified brucellosis-free herd.
 - B. Officially vaccinated of dairy breeds under twenty (20) months of age or official vaccinates of beef breeds under twenty-four (24) months of age.
 - C. Animal originated from a "Class Free" state (if entire state is so classified).
 - D. Steers and spayed heifers are not required to be tested for brucellosis.
2. The negative brucellosis test shall be conducted at a state or federal laboratory within 30 days prior to exhibition.

Tuberculosis:

1. Accredited Tuberculosis Free States

A. No tuberculin test required. All cattle, including steers, originating from an Accredited Tuberculosis Free State, may enter Illinois for exhibition when accompanied by a CVI issued by an accredited veterinarian within 30 days.

2. Non-Accredited Tuberculosis Free Areas or States (Not TB Free).

A. Cattle must originate from a herd where a complete herd test was conducted within the past year.

B. The individual animals entering Illinois must be negative to an additional tuberculin test conducted **within 30 days prior to exhibition.**

C. Cattle that enter Illinois for exhibition and remain in Illinois (animal does not return to the state of origin within 30 days) must be isolated and retested for TB 60-120 days from the last official TB test date.

SWINE

Illinois Swine

Identification:

1. Swine shall be identified by an official ear tag, tattoo or recognized breed ear notch.
2. Ear notch identification is acceptable for barrows, crossbred gilts and breeding swine.

Brucellosis: Brucellosis testing is not required for Illinois swine.

Pseudorabies: **All exhibition swine are required to be tested for pseudorabies as described below. (Illinois Swine Disease Control and Eradication Act, Section 105.110).**

1. Swine of all ages shall be negative to an official test for pseudorabies conducted within 90 days prior to exhibition; or swine shall originate immediately and directly from a qualified pseudorabies negative herd.
2. Barrows and females in market classes must meet the same requirements as breeding swine.

Additional Requirements:

1. Swine consigned to terminal market classes must meet the same test requirements as exhibition swine if these classes are held in conjunction with "exhibits not intended for slaughter".
2. When terminal classes are held on a day when no other livestock are present, these animals are exempt from all test requirements and do not need a CVI. All swine terminal classes must be identified by a site tattoo prior to movement to slaughter.
3. Swine from pseudorabies-quarantined herds are not allowed to exhibit regardless of whether or not the show is terminal or non-terminal.
4. The Illinois and DuQuoin State Fairs are not classified as terminal shows.

Out-of-State Swine

Permit:

1. All out-of-state swine are to be accompanied by an entry permit.
2. Permits are available 24 hours a day, seven days a week by calling (217) 782-4944.

Identification:

1. Individually identified by an official ear tag, tattoo or recognized breed ear notch.
2. Ear notch identification is not acceptable for crossbred animals.

Brucellosis:

1. Breeding swine 4 months of age and older shall be negative to an official test for brucellosis within 30 days prior to exhibition unless exempt by one (1) of the following:
 - A. Originate immediately and directly from a brucellosis-free herd.
 - B. Originate directly from a validated brucellosis-free state.
2. Swine brucellosis tests for exhibition shall be conducted at a state or federal laboratory.

Pseudorabies: **All exhibition swine are required to be tested for pseudorabies as described below. (Illinois Swine Disease Control and Eradication Act, Section 105.105).**

1. Swine originating from a Stage III, IV or V state shall be negative to an official test for pseudorabies conducted within the past thirty (30) days prior to entry or originate immediately and directly from a qualified pseudorabies negative herd in a Stage III, IV or V state.
2. Barrows and females in market classes must meet the same requirements as breeding swine.
3. The Illinois and DuQuoin State Fairs are not classified as terminal shows.

SHEEP

Individual identification of each animal shall be by an ear tattoo or official metal or plastic tag. A microchip ID is acceptable if the owner provides the reader.

Ear tattoos may be used when a registration certificate, listing the tattoo number, accompanies the animal.

When using ear tags, the tag must indicate the premises ID and state of origin. The tag number must be assigned by a state or APHIS representative and recorded in the Scrapie Record Database.

Market Lambs: All wethers must be slick shorn (show ring ready) before weigh-in so that show lamb fungus can be identified.

Illinois Sheep

1. CVI must include the following statement: "The sheep listed above were not exhibiting clinical signs of scrapie at the time of examination".
2. Sheep originating from a flock that has previously been classified as either an infected or source flock can be exhibited in Illinois upon the completion of an approved flock plan.
3. For any animal born after 1/1/2002, the CVI must include the flock of birth and the flock of origin, if different.
4. Under federal regulations, the owner must also state on the CVI that the animals are not scrapie positive, suspect, high-risk, or exposed and are not from an infected source or exposed flock.

Out-of-State Sheep

1. All out-of-state sheep are to be accompanied by an entry permit. Permits are available 24 hours a day, seven days a week by calling (217) 782-4944.
2. CVI must include the following statement; "The sheep listed above were not exhibiting clinical signs of scrapie at the time of the examination".
3. Sheep originating from a flock that has previously been classified as either an infected or source flock can be exhibited in Illinois upon the completion of an approved flock plan.
4. For any animal born after 1/1/2002, the CVI must include the flock of birth and the flock of origin, if different.
5. Under federal regulations, the owner must also state on the CVI that the animals are not scrapie positive, suspect, high-risk, or exposed and are not from an infected source or exposed flock.

GOATS

Identification: Individual identification of each animal shall be by an ear tattoo or official metal or plastic tag. A microchip ID is acceptable if the owner provides the reader.

Ear tattoos may be used when a registration certificate, listing the tattoo number, accompanies the animal.

When using ear tags, the tag must indicate the premises ID and state of origin. The tag number must be assigned by a state or APHIS representative and recorded in the Scrapie Record Database.

Ears should be used for tattooing when possible. If there is no space in the ear, the flank or tail fold may be used.

Illinois Goats

1. CVI must include the statement: "The goats listed above were not exhibiting clinical signs of scrapie at the time of examination".
2. Goats originating from a herd that has previously been classified as either an infected or source herd can be exhibited in Illinois upon the com-

pletion of an approved herd plan.

3. For any animal born after 1/1/2002, the CVI must include the flock of birth and the flock of origin, if different.

4. Under federal regulations, the owner must also state on the CVI that the animals are not scrapie positive, suspect, high-risk, or exposed and are not from an infected source or exposed flock.

Out-of-State Goats

1. All out-of-state goats are to be accompanied by an entry permit. Permits are available 24 hours a day, seven days a week by calling (217) 782-4944.

2. CVI must include the statement: "The goats listed above were not exhibiting clinical signs of scrapie at the time of examination".

3. Goats originating from a herd that has previously been classified as either an infected or source herd can be exhibited in Illinois upon the completion of an approved herd plan.

4. Tuberculosis: Goats from areas or states that are not Accredited Bovine Tuberculosis Free, must be accompanied by a CVI indicating that the goats originated from a herd where a complete negative herd test has been conducted within the past twelve (12) months and the individual animals are negative to a tuberculin test conducted within thirty (30) days prior to entry. For any animal born after 1/1/2002, the CVI must include the flock of birth and the flock of origin, if different.

5. Under federal regulations, the owner must also state on the CVI that the animals are not scrapie positive, suspect, high-risk, or exposed and are not from an infected source or exposed flock.

HORSES, PONIES, MULES AND OTHER EQUIDAE

Illinois Equine

1. All horses and other equidae, twelve (12) months of age and older attending an advertised equine event, shall be accompanied by a negative test for equine infectious anemia (EIA) conducted within the last twelve (12) months. A copy of this test shall accompany the animal.

2. AGID (Coggins) or ELISA tests are accepted.

3. An advertised equine event means a show, rodeo, sale, auction, exhibition, trail ride, or horse fair that is posted or media promoted.

4. A CVI is not required for Illinois equine.

Out-of-State Equine

1. All out-of-state equine are to be accompanied by an entry permit. Permits are available 24 hours a day, seven days a week by calling (217) 782-4944.

2. All horses and other equidae entering Illinois that are twelve (12) months of age or older, shall be accompanied by a negative test for equine infectious anemia (EIA) conducted within the last twelve (12) months. A copy of this test shall accompany the animal.

3. AGID (Coggins) or ELISA tests are accepted.

4. All horses and other equidae shall be accompanied by a CVI issued within thirty (30) days prior to entry.

POULTRY

1. All entries (except waterfowl, i.e. domesticated fowl that normally swim, such as ducks and geese) in a show or exhibition shall have originated from a U.S. Pullorum-Typhoid Clean or equivalent hatchery or flock OR have a negative pullorum-typhoid test within 90 days prior to exhibition. Exhibitor shall show proper information as to name and address of owner or exhibitor, name and address of the authorized testing agent, date of the testing and the number, breed, and species of those tested.

2. Prior to being used to transport poultry to a show, all crates, boxes, containers and vehicles shall be thoroughly cleaned and disinfected.

3. Any poultry vaccinations must be performed at least 4 weeks prior to delivery to the show.

4. Upon admission to a show, all entries shall be examined by the official county fair veterinarian or qualified state personnel who shall also receive and examine all certificates necessary for admission of birds to a show. Birds not in show condition will be excused from exhibition and removed from the premises. Any fowl showing signs of illness during the fair will be removed from the exhibition grounds.

5. All out-of-state turkeys must originate from flocks that are officially classified as U.S. Mycoplasma Gallisepticum Clean in accordance with the provisions of the National Poultry Improvement Plan or be negative to a test for Mycoplasma Gallisepticum within 30 days prior to entry.

6. A permit is also required for out-of-state poultry. A permit may be obtained by calling (217) 782-4944.

Please note: These poultry exhibition requirements do not apply to 4-H and FFA 1-day poultry shows where the entries are taken to the show and returned home the same day. However, a permit is required for out-of-state poultry.

CERVIDAE

(Deer, Elk, Reindeer, Caribou, Moose, Red Deer and other related species)

Identification: All animals shall be individually identified with an approved tag, microchip or tattoo. Elk are required to have two official/approved unique identifiers.

Illinois Cervidae

Chronic Wasting Disease: For cervidae changing ownership or moving within the State, the owner must obtain a permit issued by the Department prior to movement and the cervid must originate from a herd that is enrolled in the Certified Monitored Chronic Wasting Disease (CWD) Program or the Contained Monitored Chronic Wasting Disease Program. The permit shall be obtained no more than 72 hours in advance of the movement of the cervids by providing the following information:

A. Name and complete mailing address of person exhibiting the cervids;

B. Certified Monitored Chronic Wasting Disease or Contained Monitored Chronic Wasting Disease Herd number;

C. Name and complete mailing address of location where the animals will be exhibited;

D. Number of animals and unique identification of the animals.

Tuberculosis: Illinois is an Accredited Tuberculosis-Free State. Tuberculin test is not required for Illinois cervidae.

Out-of-State Cervidae

Chronic Wasting Disease

1. All cervidae entering Illinois must be in compliance with the Illinois Wildlife Code [520 ILCS 5]. For more information, contact the Illinois Department of Natural Resources at (217) 782-6384.

2. All cervidae entering Illinois must be accompanied by a permit from the Department and a Certificate of Veterinary Inspection that - **a.** has been issued by an accredited veterinarian of the state of origin or a veterinarian in the employ of the United States Department of Agriculture; **b.** is approved by the Animal Health Official of the state of origin; **c.** shows that the cervidae are free from visible evidence of any contagious, infectious or communicable disease or exposure thereto, do not originate from a CWD endemic area (any county and surrounding counties where CWD has been diagnosed in the past five years); **d.** shows that the cervidae are not originating from a herd under quarantine for any contagious, infectious or communicable disease; **e.** shows that the animals originate from a herd that has been monitored for at least 5 years under a state-approved CWD certification program.

3. A permit number can be obtained by calling (217) 782-4944. Applicant for permit shall furnish the following information to the Department:
a. Name and post office mailing address of Illinois destination; **b.** Name and post office mailing address of the consignor and/or source herds; **c.** Name and post office mailing address of the herd veterinarian; **d.** Number and unique identification of cervidae in shipment.

Brucellosis

Elk six (6) months of age and older must have a negative brucellosis card or PCFIA test within sixty (60) days prior to entry.

Tuberculosis

1. Accredited Tuberculosis Free States: All cervidae twelve (12) months of age and over shall be negative to two (2) single cervical tests for bovine TB no less than ninety (90) days apart with the second test conducted within ninety (90) days prior to entry. These animals shall be isolated from all other members of the herd during the testing period unless they originate from an accredited, qualified or monitored herd.

A. Cervidae from an accredited herd may be moved into Illinois without further TB testing provided that a certificate stating that such cervids originated from an accredited herd accompanies them.

B. Cervidae originating from qualified or monitored herds may enter with a negative test within ninety (90) days prior to entry and a certificate stating that the animals originate from a monitored herd.

2. Non-Accredited Tuberculosis Free Areas or States (Not TB Free)

A. All cervidae shall originate from a herd where a complete herd test was conducted within the past year.

B. The individual animals entering Illinois must be negative to two (2) additional tuberculin tests conducted within 180 and 30 days prior to entry or exhibition.

RATITES

(Ostriches, Emus, Rheas, Cassowaries and Kiwis)

Illinois Ratites

There are no requirements governing the movement of ratites within Illinois.

Out-of-State Ratites

1. Must be accompanied by a CVI and permit number.
2. Individually identified by leg band or microchip.
3. Negative test for Avian Influenza within 10 days prior to entry.

PIGEONS

There are no requirements governing the movement of pigeons within or into Illinois.

RABBITS

There are no requirements governing the movement of rabbits within or into Illinois.

LLAMAS

There are no requirements governing the movement of Llamas within or into Illinois. A permit and health certificate is required for out-of-state llamas. A permit may be obtained by calling (217) 782-4944.
